PEOPLE GROUP

Gorose of Ethiopia

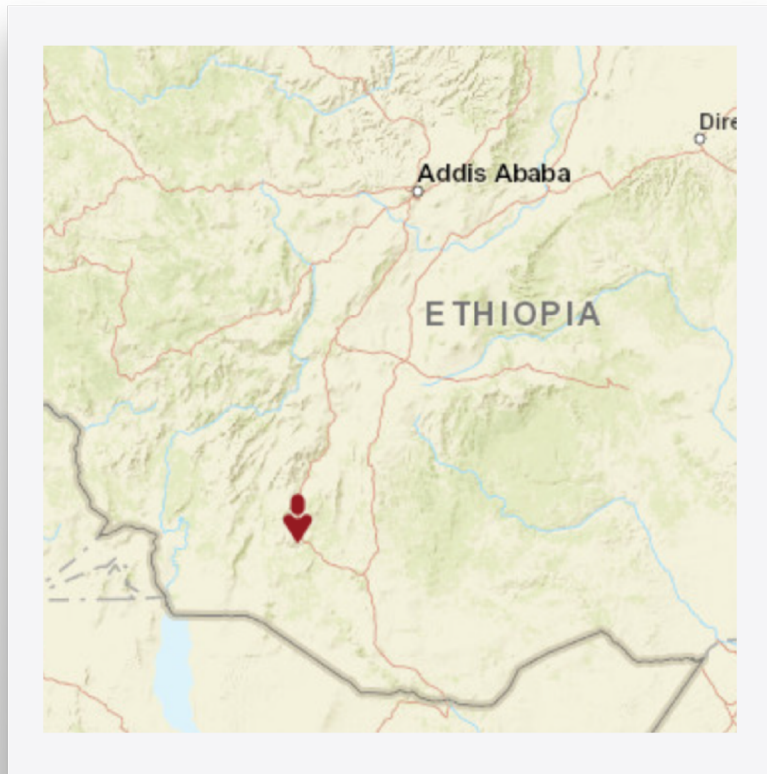

TESTIMONY

"I was born in Gawada and come from the Gorose people group. Before I knew Jesus I had no hope, no life and my life was meaningless. Since I received Jesus Christ as my personal savior, my life started to have more meaning and I have become a different person. When I got this call to serve my savior as a full time missionary I felt honored. I was praying for my people as it is my wish to see them be saved. Now I got the opportunity to share the Good News with them."

EXPERIENCE

Our missionary Feleke received the Lord Jesus Christ as his personal savior in 2000 and was baptized in the same year. He confirmed us his calling to the mission particularly for the Gorose people who are one of the most unreached people groups in Ethiopia. They are almost 99% unreached through the true Gospel. He is married to Keleya Shekoya and they have three children- Solomon, Ermiyas and Esayas.
