In one community we met the town Chief, Mohamed, sitting under a tree. When he saw us coming he stood up and said, “I don’t want to see you here”. So we then told him why we were there and he allowed us to pray for him. We prayed with him and led him to Christ. This is a man that had never believed in Jesus Christ. He followed us as we spoke to other people and when they saw him, they were surprised because he used to always be against Christianity. A lot of people accepted Christ because of chief Mohamed’s transformation. Glory to Jesus! **NCM Field Staff Paul**

Bockarie Amodu Hundolo told us that since the day we prayed for him and led him to Jesus Christ his life has changed for the good. He used to smoke and drink and had no respect for his parents. Now he is a changed man and is ready to serve God. He is a Mende Bom. Brother Bockarie Amodu Hundolo and his family are now part of our discipleship training. Hallelujah! **NCM Field Staff Charles**

Brother Ibrahim Tucker, aged 34, belongs to the Mende Bom community. Formerly a Muslim, his perspective shifted after we visited his community and shared the Gospel. Upon hearing the message, he made the decision to fully commit his life to Jesus. He had been eager to follow Jesus for some time, awaiting a chance to learn more about Him. Now, in his community, Brother Ibrahim’s transformed life has left many people astonished.

Sister Sallay Musa comes from Kawai in the Bonthe district. Even though her parents are Muslim, she didn’t have a specific religious belief. She mentioned that she had observed us talking to people about Jesus, praying for them and she became curious. This time, she requested us to pray for her. She expressed her desire to make a change in her life and leave behind the sinful lifestyle she had been leading. Sallay Musa felt a deep connection through the Holy Spirit and decided to follow Jesus.
